Commenting on the results, Mr Manish Mohnot (Jt. Managing Director) said

*"Despite several headwinds in domestic and international markets, Kalpataru Power has continued to achieve profitable growth due to our strong project execution capabilities. Company has also enhanced its global footprints by venturing into two new territories (Poland and Bostwana) and extending the reach to over 40 countries. In April 2015, Company has also achieved commercial operation of our second transmission BOOT project in record 16 months.*

*JMC has improved operating margins in the last few quarters and current order book provides visibility for further improvement going forward"*
