Dear Sir / Madam,

Please refer our letter dated 3rd July, 2019 about intimation regarding entering into definitive agreements by the Company and Techno Electric and Engineering Company Limited (“**Techno**”, a joint-venture partner) with CLP India Private Limited (**now known as Apraava Energy Private Limited**) (“**Buyer / Apraava**”) to sell their respective stakes in Kohima-Mariani Transmission Limited (“**KMTL**”).

The Company held 74% equity stake and Techno held the remaining 26% equity stake in KMTL.

Thereafter, vide Letter dated 20th December, 2021, the Company intimated the completion of first tranche of disinvestment, representing 49% stake (23% held by the Company and 26% held by Techno) in KMTL to Apraava.

We are pleased to inform that the Company has successfully completed the sale and transfer of an additional 25% stake in KMTL held by the Company to Apraava. Post such sale, the Company has now transferred an aggregate of ~48% of the total equity shares held by it in KMTL, with an agreement to sell balance ~26% to Apraava, after obtaining requisite regulatory and other approvals and in a manner consistent with Transmission Service Agreement.

Kindly take same on your records.

Yours faithfully,
